

# Why we do what we do

Our vision as a church:

We see...

The **Risen Lord Jesus** crowded by people from our city and every nation, ransomed by his blood and raised by his Spirit through **the gospel**, reigning for **eternity** with him to the glory of God the Father.

So we **WORSHIP** together

to **make** and **grow** mature **disciples of Jesus Christ** in ever greater numbers who with us will **glorify God** and enjoy Him forever.

As an AV team, we facilitate the **preaching** of God's word and the **praising** of His name through excellence in AV so that people will hear, participate in, and be **Renewed** in our gathered worship in all three locations and online.

## The Mindset of a Sound Team member:

1 Peter 4:7-11

<sup>7</sup> The end of all things is at hand; therefore be self-controlled and sober-minded for the sake of your prayers. <sup>8</sup> **Above all, keep loving one another earnestly**, since love covers a multitude of sins. <sup>9</sup> Show hospitality to one another **without grumbling**. <sup>10</sup> As each has received a gift, use it to serve one another, as good **stewards of God's varied grace**: <sup>11</sup> whoever speaks, as one who speaks oracles of God; whoever serves, as one who **serves by the strength that God supplies**—in order **that in everything God may be glorified through Jesus Christ**. To him belong glory and dominion forever and ever. Amen.

## What does it look like to be in church as a servant?

- We are *primarily* there to serve others. Our feeding is not the most important thing.
  - A waiter in a restaurant does not eat with the diners. Him being fed is not the aim of his role in that setting.
    - This doesn't mean that waiters never eat! We still need to be fed but while on duty, that isn't our priority.
- The Trellis and the Vine (an image stolen from the book *The Trellis and The Vine* by Col Marshall and Tony Payne)

- Church ministry requires Trellis work and Vine work. 'Vine work' is the basic work of the church of preaching the Gospel of Christ, and discipling them as they grow in maturity. The key place this happens is in the preaching at Sunday services but also in all other Bible-teaching ministries.  
However, just as a vine requires a structure (a trellis) on which to grow, Christian ministries also need structure, support, and unglamorous background work.  
Our role as a sound team is trellis work, not vine work. We're not on the stage in the spotlight, but if we don't play our role, there won't be a spotlight to stand in(!), people won't be able to hear the preaching, and the fundamental vine work of gospel proclamation will be ineffective.  
Our role is therefore different, but not less important, than the role of the preacher up front on a Sunday. Because of this, we need to take our role seriously and understand the significance of it in the bigger picture of church life and kingdom building!

## **The Role of a Team Leader:**

The fundamental role of a team leader is to lead the team in fulfilling the aims of the ministry. Therefore, as Venue leaders you need to be envisioning the team with the goals of the ministry and equipping them to perform their roles with excellence.

This involves:

- Team:
  - Recruitment (liaising with Fraser)
  - Training, incl. giving regular feedback
  - Organisation (managing rotas, swaps, etc.)
  - Motivation/Envisioning
- Equipment:
  - General upkeep and maintenance of equipment to ensure our equipment is suitable for our needs.
    - Carrying out basic troubleshooting and fixes
    - Identifying where equipment needs to be replaced/upgraded and liaising with Fraser and Richard to get replacements where necessary.
